PROFILE

Final-year B.Tech student with hands-on experience across venture building, operations, and team leadership. Led cross-functional teams, managed P&L, and delivered large-scale programs in academic, professional, and entrepreneurial settings. President of a 489-member student organisation. Published IEEE researcher with a focus on operations, strategy, and applied technology.

EDUCATION

Sandip University, Nashik

Sep 2023 – Jun 2027

B.Tech, Computer Science Engineering | CGPA: 7.78 / 10 (through Semester 5)

Relevant coursework: Operations Management, Business Analytics, Software Engineering

WORK EXPERIENCE

Operations Trainee — Mind Intellect Technology Pvt. Ltd.

Mar 2024 – Jun 2026

- Coordinate a team of 5 interns across 3 concurrent projects; own task allocation, standups, and weekly delivery reviews.
- Author project documentation, SOPs, and onboarding material adopted by incoming interns and project leads.
- Track progress on Jira and Trello boards; escalate blockers and prepare status reports for leadership.

LEADERSHIP & COMMUNITY IMPACT

President — Action for Collective Transformation Club, Sandip University

May 2025 – Present

- Lead a 489-member student club; deliver campus-wide programs in partnership with faculty advisors and the Office of Student Welfare.
- Organized 3 flagship events reaching 750+ attendees: a cybersecurity awareness talk (200+), a “Profile to Profession” LinkedIn workshop (400+), and a generative AI seminar (150+).

Vice President — Trekking Club, Sandip University

May 2024 – May 2025

- Planned and executed 2 large-scale treks serving 640 participants; owned logistics, safety planning, vendor coordination, and on-ground leadership.

Team Lead — Tech Udaan Hackathon

Mar 2025

Led a 4-member team to 3rd place among campus finalists for product innovation and usability.

RESEARCH

“The Qubit Shift: Next-Generation Deep Learning with Quantum Computing”

Nov 2025

IEEE 10th International Conference on Information Technology Trends (ITT 2025), Dubai, UAE

Co-authored peer-reviewed paper on hybrid quantum-classical deep learning using Variational Quantum Circuits. IEEE Xplore: ieeexplore.ieee.org/document/11352910

CORE SKILLS

Management: Operations & Project Management, Strategic Planning, Stakeholder Management, KPI Tracking, SOP Design, Cross-functional Team Leadership

Analytical: Business Analytics, Data Analysis, Performance Reporting, Decision Support

Tools: Jira, Trello, Microsoft Excel, Microsoft Office, Python, Git/GitHub
